

The Drama Toolbox – Lorikeets & Rosellas

It was so exciting to have Sonia from The Drama Toolbox at kinder with us. Sonia introduced the idea of "The Big Top" and we all pretended and moved as if we were the lions, ponies, elephants, tight rope walkers and clowns in the circus. The children then took turns in putting on their wonderful costumes in groups to play their different parts. The children had a fantastic time. This was a tremendous opportunity for them to allow their imaginations to run wild using movement, music and drama as well as dramatic techniques to create, explore and develop ideas using their bodies.
