

Easter Hop-A-Thon & Egg Hunt

Every year, our kinder holds an Easter Hop A Thon as one of our major fundraising initiatives. Children obtain sponsors and on the last day of kinder before Easter they wear rabbit ears and tails they have made at kinder and hop around a rabbit inspired track. They can hop as much or as little as they like. The children love getting into the spirit of Easter and parents come early to watch their little rabbits hop. A fun event for all. The teachers also organised an Easter Egg hunt for each group which of course created a lot of excitement for all of the children. Who doesn't like finding chocolate???
