

Music Program – Lorikeets & Rosellas

So often we hear from the children..... "Is it Hey dee ho today?" Finally Jill arrives with her baskets laden with so many fantastic things for the children to use. Sometimes Jill will implement a theme into her program such as "Make Believe Day". The children spend the next hour with Jill as they sing songs and rhymes, move around the room, use puppets, props and dress ups and play a range of musical instruments. Sometimes Jill will bring along her parachute or stretchy fabric for all, of the children to use which makes it a very exciting day.
